Importance: High

Attached is a draft agenda for this meeting, again this is a face to face meeting with the Region 8 Deputy Administrator, Debra Thomas regarding the proposed Dewey Burdock In-situ Uranium site near Black Hills in Edgemont.

This is a draft agenda and serves as framework for our discussions with the Tribe. I will, of course, follow the protocol set forth by the President or senior tribal staff person in attendance. Should you have any questions, please feel free to email or call me.
